

Supplying Steam, Air, Water, and Instrumentation Specialty Equipment and Service to the Texas Gulf Coast

- | | |
|--|---------------------|
| Steam Traps | Flash Tanks |
| Air Vents | Steam Coils |
| Pumping Traps | Trap Valve Stations |
| Electric Pumps | Liquid Drainers |
| Vacuum Breakers | Y-Strainers |
| Temperature Regulators | Humidifiers |
| Pressure Reducing Valves | Tank Heaters |
| Instantaneous Water Heaters | Washdown Stations |
| Steam & Water Mixing Valves | |
| Distribution & Collection Manifolds | |
| Skid Mounted Condensate Return Systems | |

Check & Control Valves

Thermocouples, Thermowells, Multi-Point Assemblies
Temperature Instruments, Wire and Cable, Connectors
RTDs

Ball & Piston Valves, Liquid and Magnetic Level Gauges

Liquid Level, Flow and Pressure Controls

- Intrinsically Safe
- Pump Up/Down

Liquid and Magnetic Level Gauges

- Y-Strainers
- Basket Strainers (simplex/duplex)
- Butterfly Valves
- Check Valves

- Heated and Nonheated Preinsulated Tubing (copper, stainless steel, exotics)
- Instrument Heaters (steam and electric)
- Instrument Enclosures

Relief Valves for Steam, Hot Water, Air, Gas, and Vacuum

Steam, Air, and Water Solenoid Valves

- Automatic Recirculation Valves
- Multi-Stage Orifices
- Back Pressure Regulators

Specialty Items and Services

- Orifice Plates, Steam Tracing Installation
- Tubing Bundle Installation
- Fabricated Basket Strainers
- Temporary Strainers, Cone/Basket
- Steam, Air, and Gas Separators
- Exhaust Heads and Vent Silencers
- Steam Trap Surveys
- Steam System and Steam Tracing Audits
